

# New BCTGM Rates Upgrade Instructions

Step #1: Go to

[WWW.MUMS2000.com](http://WWW.MUMS2000.com)

Click on

[MUMS Quick Update](#)

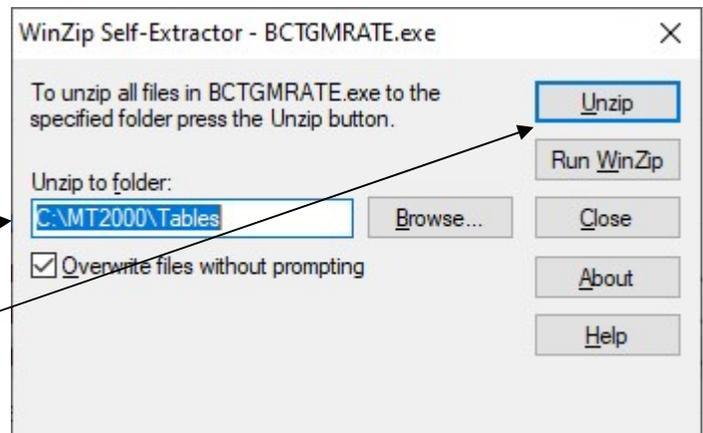

Step #2: Select the Self-Extracting Zip for New BCTGM-Rate Update Formats

Step #3: Click on RUN and RUN and OK to RUN or whatever is possible to get to the following display. This might mean you have to click on the item downloaded if not automatically displayed.

NOTE: If you are a network workstation you must change "Unzip to folder" from **C:\MT2000\Tables** to point to where your tables are located.\*\*

Then click on UNZIP and when done close everything.

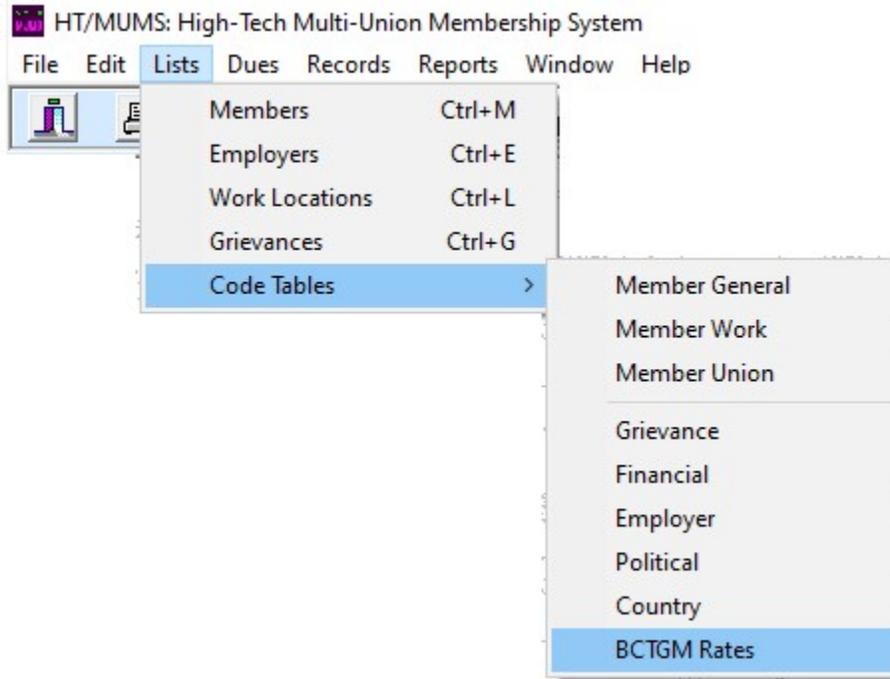

**NOTE: This only needs to be done once per Local, and does NOT need to be done on each workstation.**

\*\* Networks can find the location of their tables by looking at the bottom status line in MUMS were it says "Tables: C:\mt2000\Tables". If it says something different, then change the above to match your set of MUMS.

# Verify the new BCTGM Rate Table

To Verify that you have updated correctly, go into MUMS using Menu List |Code Tables |BCTGM Rates and make sure it looks like the following. If not call Richard Van Elgort at 818-970-9879 during Pacific Time Zone Business Hours.

The screenshot shows the 'BCTGM Rates' window with a table of rates. The table has four columns: Category, Effective Date, and Rate. The data is as follows:
